### PRESENTATION

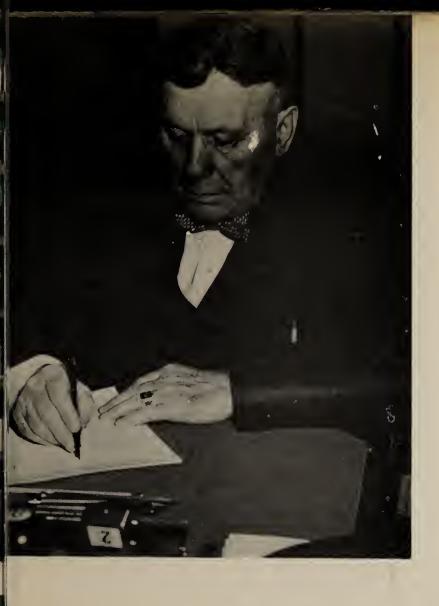

We present this Annual to all the people of the Ireland community who in any way have helped make the 1953-1954 school year at Ireland a profitable and memorable one. In the book of I. H. S. life, we have tried to record the school's activities. This school year has witnessed a new program. In years to come we hope the pages of the IRISHITE may be turned and we may relive in our hearts all of the experiences had during the past year.

#### DEDICATION

We, the Senior Class of 1954, dedicate this Annual to the faculty of Ireland High School. We realize that in the four years that we have been students at IHS, we have absorbed some of the knowledge and dignity exposed to us by our teachers. The untiring efforts of the faculty in our curricular and extra-curricular activities will always be remembered and appreciated by us.

### MR. THOMAS SCHITTER

Our trustee, Thomas Schitter, enjoys a great many sports, but he is especially known in the community for his fishing.

The picture to the lower right shows a catch made last summer. Besides fishing, Mr. Schitter also enjoys the sport of hunting; he is one of Ireland's best basketball and baseball fans.

Mr. Schitter is employed by Edwin Knies. He is married and has five children.

### MR. JOHN H. TEDER

At the left is a picture of Mr. Teder at the desk. Much of our Superintendent's time is spent there. Mr. Teder enjoys reading and is an ardent student of history. He is an authority on Dubois County history.

Mr. Teder's record speaks for himself; he has done much for schools of Dubois County.

### MRS. FRANCES WEAVER

Mrs. Weaver is the Home Economics teacher; she was the senior class sponsor and was in charge of the crowning of the queen.

Mrs. Weaver, like most teachers, enjoys to read. Being a Home Economics teacher, she also sews much.

Mrs. Weaver's home is in Wheatland. For four years she has done an excellent job of teaching us the methods and duties of a housewife.

### MR. EARL F. BUECHLER

Mr. Buechler, our Principal, is serving his first year as Principal. Mr. Buechler teaches Government and Biology; he is also the annual sponsor.

Mr. Buechler has lots of interests; his main ones are music and sports; he plays most reed instruments.

The picture at the left shows Mr. Buechler turning on television. "I Married Joan" is his favorite program.

Many changes have been introduced this year, and after some time the students agree that the changes have been for the good of the school.

### MR. ROY ALLEN

Mr. Allen is our Math, Social Studies, and Driver's Training instructor. Besides his curricular duties, Mr. Allen is Assistant Coach and Junior Play director.

Mr. Allen's leisure time is spent mostly in reading. He is interested in his home and family. At the right he is shown with his youngest son, Bobby. Mr. and Mrs. Allen have another son and one daughter.

### MR. JEROME STENFTENAGEL

Mr. Stenftenagel is our Coach. He teaches Social Studies, Health, Safety, and Physical Education.

He spends his leisure time getting new basketball plays.

Mr. Stenftenagel is shown here with his wife, Pat, enjoying his favorite hobby, working out new basketball plays. The staff has learned that Pat is quite valuable to our coach, especially for moral support.

## Class History

September 7, 1950, twenty-eight students enrolled in Ireland High School as green freshmen. Like all freshmen, we were uncertain and rather scared. Our first experience with high school activities was in the second week of school when we chose our class sponsor and elected our class officers.

The sponsor was Miss Joan Kuebler, and officers were as follows: President, Frances Mehringer; vice-president, Gladys Schitter; secretary, Thomas Mehringer; and treasurer, Victor Pfaff. In October we were initiated. We got over that with not too many scratches and bruises and so school went on in the same routine until December. We along with the sophomores and juniors were entertained by a Christmas party given by the seniors. The following semester, the freshmen gave the sophomores a St. Patrick's Day party in return for the initiation given the fall before. In April, we all passed our exams with flying colors to become silly sophomores. The freshmen also had in their freshmen year two cheerleaders from their class, Gladys Schitter and Viola Wehr.

September 2, 1951—the second year the silly sophs had enrolled. The election of class officers was held the second week of September as in the preceeding year. The president was Gladys Schitter; her vice-president was Shirley Brescher. The secretary that year was Charles Lee Mendel, and Charles Mehringer was treasurer. The sponsor was Coach Terry Kemp. Initiating the freshmen was the next big issue. Of course, we expected to enjoy it better than the year before when we were on the receiving end. All went well for the initiation; and in October, Gladys Schitter was again elected cheerleader along with three other girls of other classes. In December all underclassmen were again given a Christmas party by the seniors. The following term the freshmen treated us to a party in return for the initiation. In April we all passed our exams to become jolly juniors.

During our Junior year 1952-1953, we all had lots of work ahead of us and lots of things to learn. First, we elected officers and chose a sponsor. The sponsor was Mrs. Ruth Barkley, and officers were: President, Marlene Vonderheide; vice-president, Lavonne Dillon; secretary, Davis Schitter; treasurer, Sylvester Rohleder. In September of that year the seniors took us to the Drive-In Theatre and afterwards to Sakel's restaurant for lunch.

We elected cheerleaders for the season. Gladys Schitter was again chosen from our class. After the holidays we began work on our junior play, under the direction of Mrs. Ruth Barkley. The name of it was, "Grandad Steps Out." All members of the class had parts and the play was a big success. We all had loads of fun at practice. After the play came the junior-senior banquet which was our responsibility. The banquet was held at the Country Club in Jasper, where fried chicken and all the trimmings were served. We danced to the music of the Starlighters. Our class outing was at the Isaac Walton League, north of Jasper. It was an all day outing. Again we crammed for final exams and all slipped through. Now we were sophisticated seniors—but we didn't feel very sophisticated.

Now the big year—our senior year. We had a new student in our class that year—Donald Schuetter from Jasper—and an asset to our class. Our class officers that year were Gladys Schitter, president; Charles William Mehringer, vice-president; Donald Schuetter, secretary; and Shirley Brescher, treasurer. Again we chose a class play. It was, "Papa Says No," and Mrs. Frances Weaver was the director. All students were included in the cast and the play was a big hit with everyone. We recalled with regret, that it was our last high school play. In fact, everything we did that year we could think of as being the last time for it. After the play we elected our cheerleader again. Gladys Schitter was chosen still another time. Now we started work on the Annual Year Book under the guidance of Mr. Earl Buechler, our principal, and with Virginia Weidenbenner, as editor. It was to be completed by the end of the first semester and we just made it.

We had two queens in the class that year—basketball queen, and Christmas festival queen. We had a cheerleader and five basketball players. So our class was fairly well represented in sports too. After the Christmas holidays, we weren't so busy. We began getting ready for our class trip to Washington, D. C. and New York City at the end of school, our commencement, and the junior-senior banquet of which we would be guests this year. On April 24, 1954 we all received our diplomas and became graduates of Ireland High School and said good-by to the best years of our lives—our high school days. We look forward to success and happiness throughout the years.

## Class Prophesy

Perhaps you've all been wondering how the seniors of 1954 have gotten along in life after they left the protective wing of their homes and journeyed out along life's rugged highway. This is now 1960 and the jolly class of fifteen students has reached the age of 24 years. They have all chosen their life's work and are well on, in the struggle of the ways of the world.

Shirley Bescher is doing very well indeed, for she now holds the position of private secretary to John Rockefeller, III. She is married and has two brighteyed, rosy-cheeked youngsters—Rachael, age one; and Donny, age three. I visited her at her home in Long Island recently, and she seems to be very happy.

Jackie Hayes is a construction engineer in Memphis, Tennessee, and doing well. He is an up and coming young man with lots of energy and ambition and which, as everyone knows, are much needed traits in his profession. In a recent conversation with him I analyzed that he is well satisfied and contented

Mary Lou Durcholz upon her graduation, enrolled in Indiana University and made her goal to teach home economics and physics. She is graduated now and will begin her first teaching term at her beloved Ireland High. No doubt several of our children will be her students some day.

Cnarles William Mehringer is another of our classmates who furthered his education upon graduation. He went to the University of Illinois where he began studying to become a basketball coach. He also is graduated, and last year began coaching at Ireland. The team he coached won the sectional and got as far as the semi-finals where they were finally defeated by Birdseye. He enjoys his work very much because he remembers the days when he also was a star on Ireland's first five.

The musician of the class has turned out to be Lavonne Dillon. Since she always had a more than average interest in music we are not surprised. After graduation she went East, where she began her career. She has majored in the classics at Columbia University and is now in London, England. She hopes to be a composer. Her favorite folklore is Irish music.

Dale Durcholz is an archaeologist now and is at the moment in Alexandria. Egypt. He has traveled to all parts of the world, the Far East, waste lands of Palastine, and even to the Aztec ruins of South America. He is very skilled in his field and enjoys it very much. He is especially interested in the study of preserving Egyptian mummies.

Geraldine Hoffman is the manager of the world famous rodeo show "Bronc Buster." We can all see why, because she always had a great love for horses Her show is very entertaining and was organized especially for children. But Geraldine has a tremendous dislike for reporters and will never let them

enter the rodeo grounds, so there has been very little publicity about the show.

Have you heard who the new governor of Indiana is? None other than my classmate, Charles Mendel. Isn't that a surprise? He seems to enjoy the position very much. At the present, he is engaged in the matter of getting a recreation center for Ireland. The new project will cost no less than \$200,000.00 and requires considerable consideration.

Frances Mehringer has studied ballet and opera since her graduation. She is very skilled in both and will begin a session of concerts at the Metropolitan Opera House in New York next Tuesday. She was chosen to sing the National Anthem at the inauguration of the last President in 1956.

Imagine this. Out of these fifteen talented young people there surely must be a movie star and that is right. It is Davie Schitter. You all can imagine that he would make a good one too, because this witty little bunch of energy will succeed in whatever he attempts. Rumor has it that he is engaged to Marilyn Monroe.

Gladys Schitter is the physical education instructor for the Olympic swimming contest for girls, and is a great swimmer herself. She was always one to enjoy sports and is delighted when she is working with these girls. Of course, we haven't forgotten her athletic qualities in cheerleeding back in 1954 either.

Donny Schuetter is studying mental telepathy. In fact he has made this his career and a very interesting one. He has made some very interesting discoveries, one of which is that the human mind is the frontier of the future—the only unexplored area left on earth.

Marlene Vonderheide is the only one of the class who hasn't deserted her home town. She still dwells near Ireland where she and her husband have a 500 acre farm. Marlene is kept busy with her household tasks, but not too busy to forget to keep that cheerful smile she always wore.

Sylvester Rohleder went to Purdue after his graduation and is now studying to be an agricultural scientist. He is working on a new species of buckwheat that will ripen three weeks after it has been planted.

Virginia Weidenbenner is in TV. She took the place of Lucille Ball in her show shortly after Lucy passed away. She has renamed the show, "I Love Ginnie" instead of the commonly known "I Love Lucy."

It seems as though Ireland has graduated fifteen very remarkable students in 1954. All of them have reached fame in one way or another, either to themselves or to others and are all very happy. Let's leave them for we will always like to remember them as they are now.

FRESHMEN

SOPHOMORES

On September 1, 1953 the 12 Jolly Juniors met in Room 11 with Mrs. Barkley as our Home Room teacher.

At the first class meeting the President from last year took over until the officers were elected. The new officers for the school year are: President; Linda Schitter, Vice President; Thomas Sendelweck, Treasurer; Joe Jaent, Secretary; Margie Blessinger.

One of the most important events of the school year was the Junior-Senior Prom. A delicious dinner was served. The rest of the evening was spent dancing to the music of a popular orchestra.

Mary Lee Gehlhausen and Margie Blessinger were representatives from our class for the queen's court.

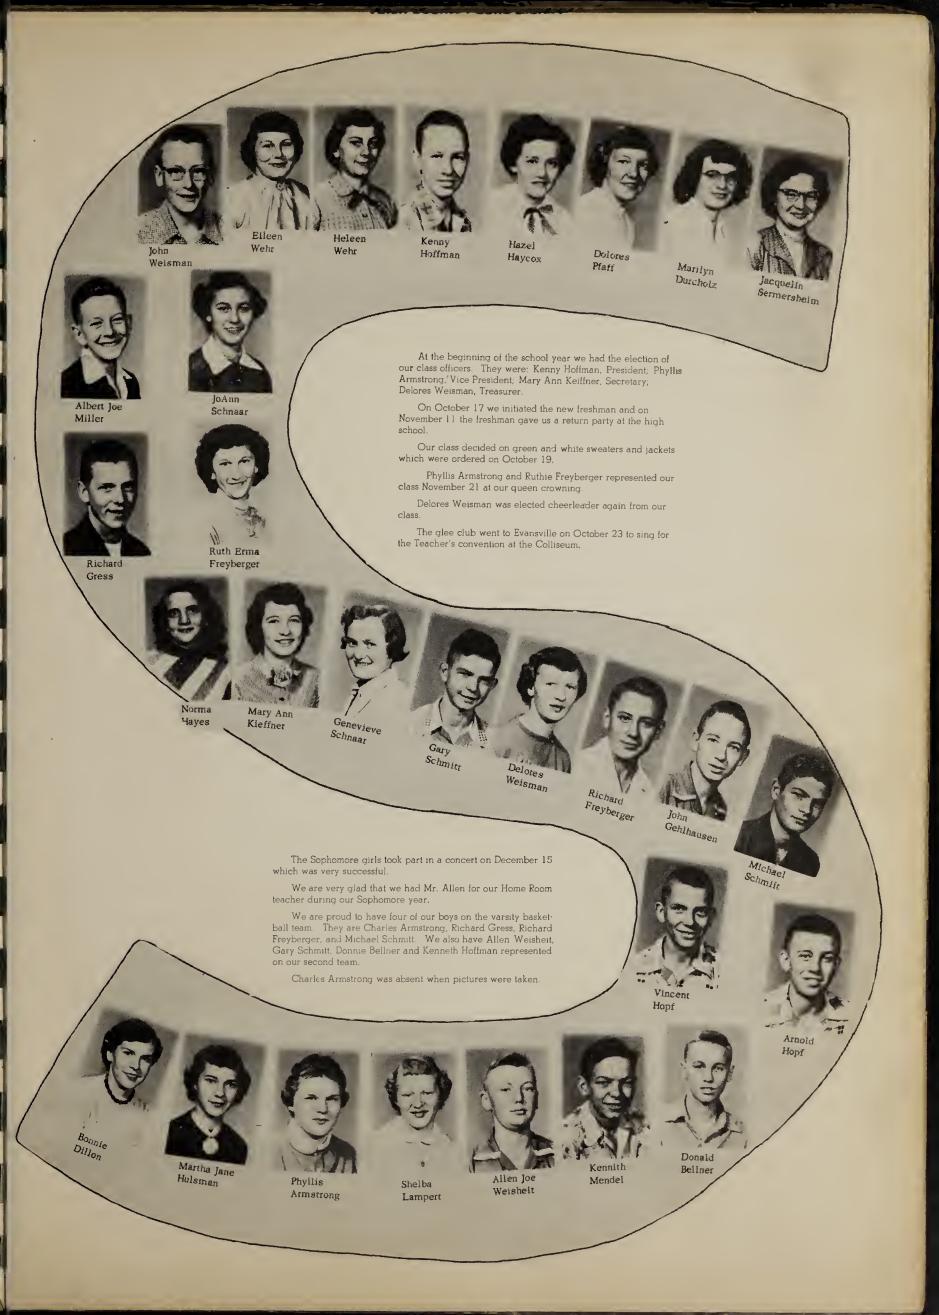

And so 12 Jolly Juniors say Good-bye to Ireland High School and hope to be back next year as Sophisticated Seniors.

The largest class in the history of Ireland assembled in room 9 on September 1, 1953. We were 36 in number, green, eager, but also noisy. We got into a lot of trouble at the beginning of the school year and we still do, but not as much as we did. We have learned the way of high school students so at least we say. We have given the sophomores their return party for the initiation party they gave us.

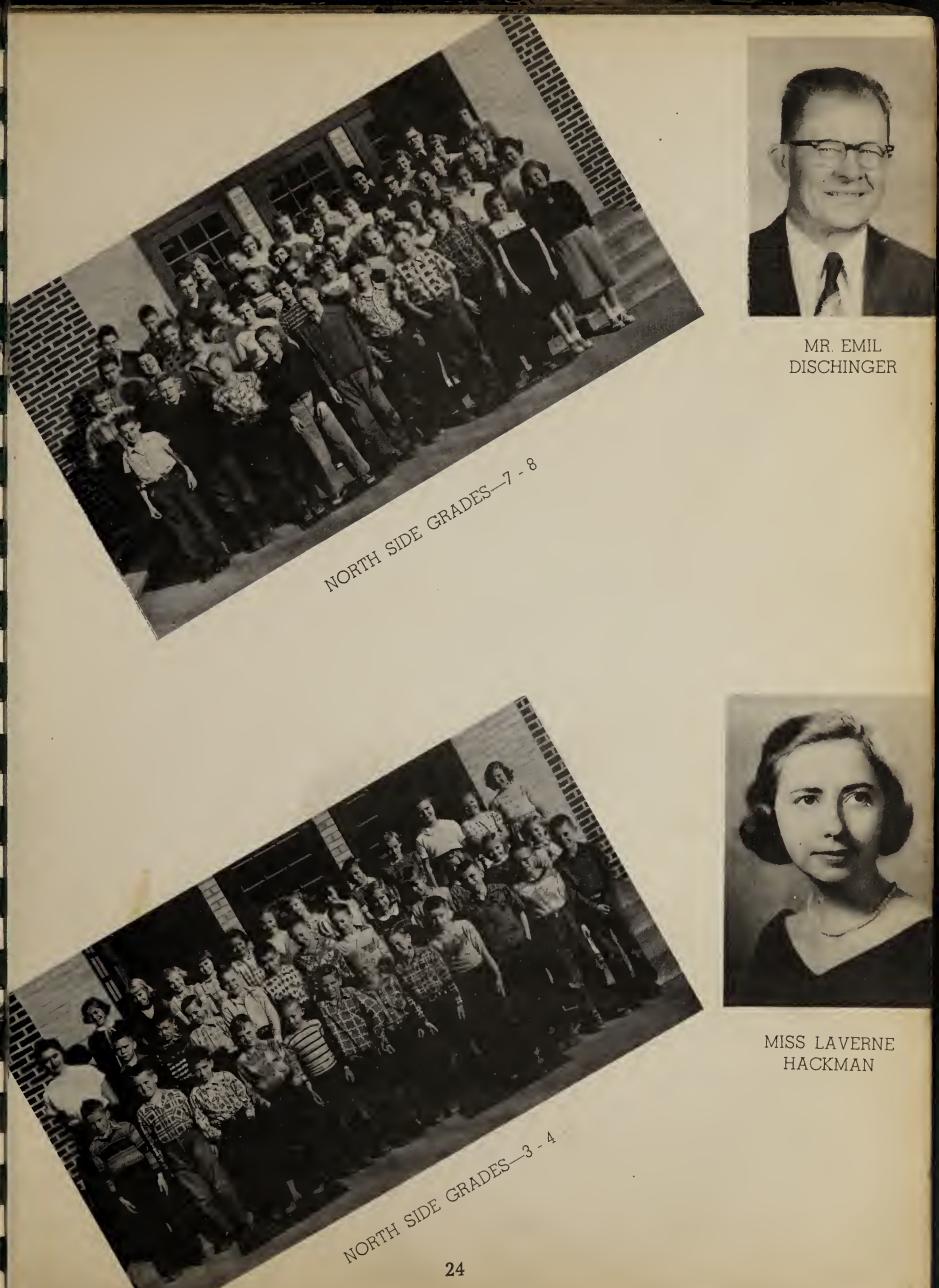

At the time of this writing we are already anticipating an educational and social trip to Evansville on outing day.

The officers were elected at the beginning of the school year as follows: President; Johnnie Crutchfield, Vice President; Irma Rohleder, Treasurer; Billy Joe Hopf, Secretary; Jo Ann Kellams

Evelyn Bellner was absent when pictures were taken.

# Introducing Activities

The Ireland Band, under the direction of Miss Mamie Garrison, made great strides during their second full year of organization.

The "Marching Forty" took part in the Boonville Labor Day parade, Huntingburg Festival, and marched at a number of basketball games.

The Band also gave two concerts, besides providing music at many school functions.

The Girls Glee Club participated in a concert with 1200 other girls and boys during the Southern Indiana Teachers' Association. They gave a concert in the gym at Christmas and Easter. Under the direction of Miss Mamie Garrison, the girls exercised their vocal chords every other day. Much praise goes to Miss Garrison and the girls.

The music department started a Junior Band this year. Fifteen members started tooting and most of them are expected to be in the Senior Band next year.

### 1953 - 1954 BASKETBALL QUEEN

The student body chose attractive Miss Lavonne Dillon, daughter of Mr. and Mrs. Lloyd E. Dillon, to reign as basketball queen of the 1953-1954 season on December 20, 1953. She was crowned by Capt. Charlie Mehringer, and Shirley Brescher was her maid of honor.

Miss Dillon also entered the High School Beauty Contest, of Evansville, and won a \$50.00 cash award, entering tenth among thirty girls.

### HUNTINGBURG FESTIVAL QUEEN

Ireland High School students were proud to present their choice as queen in the Annual Huntingburg Christmas Festival on December 5, 1953. She was lovely Miss Geraldine Hoffman, daughter of Mr. and Mrs. Edgar Hoffman.

Miss Hoffman was queen for a day and received many beautiful gifts from various merchants of Huntingburg. That evening she participated in the Christmas Pageant sponsored by the Huntingburg merchants.

### BASKETBALL OUEEN AND COURT

The Ireland High School Basketball queen was crowned November 20, 1953. The stage was decorated with green and white crepe paper streamers and white satin background. Red roses were twined around white columns.

Lavonne Dillon reigned over the court and had as her maid-of-honor, Shirley Brescher. Both the girls wore white, and Marlene Vonderheide, the attendant, wore green. All three girls were seniors.

All attendants in the court wore green. They were: Margie Blessinger and Mary Lee Gehlhausen, from the junior class; Phyllis Armstrong and Ruthie Freyberger, from the sophomore class; and from the freshmen class were Patsy Whitsitt and Mary Jane Hopf.

Music was furnished by the Ireland High School Band, with Mamie Garrison as director. Ireland won over Troy by a score of 43 to 35.

### PROM KING AND QUEEN 1952 - 1953

The prom was held on April 21, 1953.

There were 14 juniors and 17 seniors present. A Hawaiian theme was carried out in decorations. Mrs. Barkley was the sponsor of the prom. Favors given were palm trees.

MR. BUECHLER Sponsor

### GLADYS SCHITTER

Gladys Schitter was chosen as Good Citizen of Ireland High. She was selected by the seniors and faculty. The contest was sponsored by the D. A. R.

### MONICA TERWISKE

Monica Terwiske, a junior, won the "I Speak For Democracy" contest. Monica was a student in Mrs. Weaver's English class.

### CAMERA CLUB

President, Lavonne Dillon; vice-president, Ruthie Freyberger; secretary and treasurer, Linda Schitter; chairman of research, Kenny Hoffman; chairman of news, Sylvester Rohleder. The sponsor of the Camera Club is Roy Allen.

If you've been seeing some Camera Bugs around school this year, it's not because the school has turned "buggy" but because a Camera Club has been started. This is the first year for clubs in I. H. S. The purpose of the Camera Club is to learn to take better pictures and to learn the different ways of developing these pictures.

### PEP CLUB

President, Margie Blessinger; vice-president, Delores Weisman; secretary, Frances Mehringer; treasurer, Patsy Whitsitt. The sponsor of the Pep Club is Mr. Stenftenagel.

This is the first year a Pep Club was sponsored at Ireland High School and it really was a tremendous achievement to basketball and baseball. The club was composed of approximately fifty students, and all took a very active part. The club was designed to back all sport activities and to plan programs at pep sessions. It was a huge success and we certainly hope it will continue in the years to come. No one will ever forget the Pep Club of this year and what it did for sports and the school.

### AUDIO VISUAL CLUB

President, Mary Lou Durcholz; vice-president, Charles Mendel; secretary, Donald Schuetter; treasurer, Davis Schitter. The sponsor is Mrs. Barkley.

On days that clubs met we could hear, "Heads down! Get quiet! and similar phrases. Everyone knew it was the Audio Visual Club meeting.

This club brought enjoyment to the members and also served an educational purpose. During the meetings we learned how to operate the movie projectors and slide projectors.

Among the projects for the year were visits to movie houses to observe their projection of motion pictures and also a trip to a television station.

### BOYS HOME ECONOMICS CLUB

President, Richard Freyberger; vice-president, Kenny Mendel; secretary and treasurer, Richard Gress; chairman of the program committee, Gary Schmitt. The sponsor of this club is Mrs. Weaver.

Yes girls, you may now get a husband that can cook, bake, and clean house. Mrs. Weaver has been sponsoring a boys home economics club and a number of boys have popped pop corn, baked pies, cakes, yes, and even prepared and served full meals.

This club's value is to teach these boys the ways of cooking and all the household duties. It has proven both valuable and exciting for the boys.

### LIBRARY

The Librarian is Miss Mamie Garrison. Her assistant librarians are Mary Jane Hopf, Genevieve Schnarr, and Phyllis Hubster.

This year the library has a new look; its face has been lifted and consequently it is more attractive.

The high school library has also added a collection of many books this year. Since the library has been revenerated many more books have been read this year.

# Introducing Sports

Jerome "Dimp" Stenftenagel, Ireland's new coach, was a member of Jasper's 1949 State Basketball Champs. He attended Mississippi University and

graduated in 1953. "Dimp" made his first year at Ireland a success. The staff and everyone wishes him the best of luck in the future.

After a two years absence from basketball, Mr. Allen returned to accept the position of assistant coach. He is well liked by all and is always willing to lend a helping hand. Slim, our lanky center, proved to be very valuable with his hook shot. He was known by all as "Hochgesang's Boy." Ves's favorite shot was a jump shot. Remember the hard decisions Ves had to make after ball games.

Dave liked to drive under for a lay-up shot. We wonder what he would do if the Patoka bridge were missing again.

Don was a newcomer, but he was a handy man to have on the team. We wonder what he would have done without his Redram.
